LEGO: DC SUPER HERO GIRLS
"GALACTIC WONDER"

EPISODE 1

EXT. SUPER HERO HIGH SCHOOL FOUNTAIN - DAY

Wonder Woman is surrounded by a crowd of students as
PRINCIPAL WALLER hands her an AWARD SCROLL.

PRINCIPAL WALLER
...it is my great honor to announce
Wonder Woman as Hero of the Month!

BATGIRL
(aside to SUPERGIRL)
Again.

WHIP PAN TO... Wonder Woman's DORM ROOM. There is a PILE of
identical scrolls on her desk. WHIP PAN BACK.

SUPERGIRL
Yeah, she's good at everything!

WONDER WOMAN SUCCESS MONTAGE - VARIOUS

- Teacher JUNE MOON proudly hands Wonder Woman back a test
paper with a prominent A+ on it! More applause.

- In MUSIC CLASS in the GYM, Wonder Woman finishes playing
her HARP SOLO. Everyone CLAPS.

- WW swinging her sword like she's in battle. WIDEN to see
she's hacking at a stone pillar, carving it into a STATUE OF
RED TORNADO. Classmates and teacher RED TORNADO are impressed

END MONTAGE

WONDER WOMAN
Thanks! This means so much to me!

PRINCIPAL WALLER
There's more! As a special surprise
for our Hero of the Month, we've
flown in, direct from Themyscira,
your mother, Queen Hippolyta!

Waller points up at the approaching BUMBLEBEE'S HELICOPTER!
BUMBLEBEE is piloting and HIPPOLYTA WAVES to WW below.

WONDER WOMAN
<overjoyed surprise> What!?

They HUNKER DOWN – WW HOLDS HER HAIR to keep from flying off!

The copter lands and Bumblebee and Hippolyta get out.

WONDER WOMAN
What an amazing surprise!
Thanks, Bumblebee!

BUMBLEBEE
NBD, Dubya Dubya!

Wonder Woman and her mom EMBRACE.

WONDER WOMAN
It's wonderful to see you, Mother!

HIPPOLYTA
You as well, Daughter.

After a soft and loving moment. Hippolyta backs off.

HIPPOLYTA
Dignity, dear. You're royalty.

Wonder Woman nods.

PRINCIPAL WALLER
Queen Hippolyta, I'm so glad you
finally get to see your daughter
receive one of her many awards.

Hippolyta looks at the award scroll with disdain.

HIPPOLYTA
Oh. Paper. How quaint. At
Themyscira Academy, my alma mater,
the awards are cast in bronze.

Wonder Woman is embarrassed.

HIPPOLYTA
You know, my daughter won a full
scholarship to Themyscira Academy.
But she chose to come... here.

ON Bumblebee whispering to Supergirl and Batgirl:

BUMBLEBEE
She complained the whole way here
about the size of my helicopter.

SUPERGIRL
I'm sure she's only trying to be
helpful.

Hippolyta's face pops in between them.

HIPPOLYTA
(to Bumblebee)
You whisper too loud.
(to Supergirl)
And you're too blonde, Blondie.

She disappears. They're aghast.

BATGIRL
Yes. Helpful.

INT. FORENSICS CLASS - CONTINUOUS

COMMISSIONER GORDON, in CSI mode, wears a lab coat and is surrounded by beakers. He holds a Lego Tile with a FINGERPRINT STICKER like a glass slide.

GORDON
Welcome, Mrs... Woman. Your daughter is excelling.

HIPPOLYTA
It's Queen Hippolyta. And we'd like some menus and a table in back. Hop to!

WONDER WOMAN
(whisper)
Mother, that's Commissioner Gordon, my Forensics teacher!

HIPPOLYTA
For...ensics?

GORDON
The search for clues and evidence required by law to prove guilt.

HIPPOLYTA
How uncivilized. On Themyscira, we simply throw suspected evil-doers in the Guilt Pit.

GORDON
Remind me never to visit.

INT. TRAINING FACILITY - CONTINUOUS

Wonder Woman sword fights Katana.

WW is doing fine, but then sees her mother STARING at her from the audience and gets nervous.

Katana STRIKES. She's won this round! Wonder Woman SMILES.

WONDER WOMAN
Good match, Katana.

Wonder Woman STANDS and finds Hippolyta next to her.

HIPPOLYTA
Has this "school" so dulled your
keen edge that you would lose to
this low-born commoner?

WONDER WOMAN
Mother, some of the finest
swordswomen in the world are "low-
born" and "common."

WIDEN TO INCLUDE KATANA.

KATANA
And I'm standing right here.

INT. HEROBALL GAME - CONTINUOUS

In a demo game, Bumblebee, Batgirl, Supergirl and WW are playing against FLASH, GREEN LANTERN, CYBORG and HARLEY! We see dummies labelled "CITIZEN," "POLICEMAN" and "FIREMAN."

WW looks nervously at her mother on the sidelines. The match begins and Harley dashes across the field with a citizen. Wonder Woman used her lasso to rope Harley and steals the citizen from her hands. ##

##

HARLEY QUINN ##
[impact grunt] ##

Wonder Woman runs toward the net getting the citizen to safety. ##
##

BUMBLEBEE ##
Yay, Wonder Woman! You tied it up!

Wonder Woman's SMILE soon FADES as she GLANCES at her unflinching mother.

A citizen POPS OUT and WW, self-conscious and distracted, TRIPS on it!

WONDER WOMAN
<falling cry>

Harley takes advantage and scoops up the Citizen.

HARLEY QUINN
Thanks, Wondypants!

She passes it to Cyborg. WW is frozen with indecision.

CYBORG
Were you left out in the rain,
Wonder Woman? Because you're rusty!

WW fumes and MAKES A RUN for Cyborg, But she GETS HIT by a
HAZARD, thanks to Green Lantern.

THAT DOES IT. WW garners strength, pulls it together,
BYPASSES ONE LAST HAZARD and scores! THEY WIN!

Her teammates hoist her up and carry her in celebration.

SUPERGIRL/BATGIRL/BUMBLEBEE
<CHEERING> That was amazing Wonder
Woman/One of the greatest things
I've ever seen/That was incredible,
Wow!

##

ANGLE ON: Hippolyta is stoic. To Waller -

HIPPOLYTA
I see you teach histrionics here as
well.

From her victory perch, WW sees Hippolyta stand up and leave.

Mother and daughter are the only ones not cheering.

INT. SCHOOL HANGAR BAY - LATER

In the empty class, Batgirl fixes her BATJET.

BATGIRL
Install boomin' sound system...
check!

Suddenly, she HEARS A NOISE. She looks around for the source
and discovers WW HIDING in the Invisible Jet.

BATGIRL
You know, if you're trying to avoid
your mom, an invisible jet might
not be the best hiding spot.

WW flies out of the jet. Lands by Batgirl.

WONDER WOMAN

How did you know I'm avoiding my mother?

BATGIRL

Genius-level intellect. Also, I met your mother. Want to talk about it?

WONDER WOMAN

Nothing I do is good enough. This school isn't good enough. My friends aren't good enough.

She wipes away the beginnings of a tear.

WONDER WOMAN

I thought she would see how happy and successful I am and finally understand why I need to be here.

Supergirl bounds in.

SUPERGIRL

So... I just took your mother to lunch. She really dislikes creamed corn. So we've got that in common!
(seeing WW look bummed)
Sorry, am I interrupting?

Just as Wonder Woman is about to speak, Hippolyta enters.

HIPPOLYTA (O.S.)

There you are! Daughter, I want you to know that I'm sorry things have not gone smoothly here.

WONDER WOMAN

You are?

HIPPOLYTA

Yes! But fear not, everything is fixed! I've called the Dean of Admissions at Themyscira Academy...

WONDER WOMAN

Aunt Antiope?

HIPPOLYTA

...and she's arranged your immediate transfer!

WONDER WOMAN

What!? Mother! No! This is my school! I love it here!

I've got amazing friends and I'm
learning so much! This is where I
belong.

There is a LONG BEAT as Hippolyta takes this in.

HIPPOLYTA
Themyscira Academy orientation
begins at dawn. If I don't see you
there, I... don't expect I'll see
you again.

She EXITS.

EXT. SUPER HERO HIGH SCHOOL - CONTINUOUS

Hippolyta exits and heads toward Bumblebee and her copter.

HIPPOLYTA
You there! I wish to leave
immediately!

BUMBLEBEE
(confused)
Ooooookay...

In the bushes, a PURPLE KRYPTOMITE w/ SWIRLY, HYPNOTIC EYES
appears. It FOLLOWS Hippolyta into the chopper unseen!

INT. VEHICLE REPAIR CLASS - CONTINUOUS

Back with Supergirl, Batgirl an emotionally spent WW.

SUPERGIRL
It'll blow over. Give her some
time. And pie. Pie always works.

Suddenly, Batgirl hears a BEEP coming from the Batjet. She
checks the console.

BATGIRL
It's a warning signal from the
computer in my Batbunker! Let's
check it out.

##

WONDER WOMAN
It'll be good to set my mind to
something else.

##

SUPERGIRL
Could be trouble...

##

BATGIRL

Yeah, it's probably a bad idea...

WONDER WOMAN

You're right. We should stay put.

##

SUPERGIRL

Yes. Put.

##

##

BEAT. Off the girls' determination to stay...

##

EXT. SUPER HERO HIGH SCHOOL - SAME

The Batjet begins to LIFT OFF with our heroes. As it slowly spins to orient itself:

INT. BUMBLEBEE'S HELICOPTER

##

Bumblebee is getting a good look at the Batjet and its passengers as she prepares to take off for Themyscira.

HIPPOLYTA

(incredulous)

What do you mean you're her lab partner in "Teamwork Class"?? My daughter is one of the most powerful beings in the universe, why would she ever need a team?!

Bumblebee watches the Batjet disappear on the horizon and narrows her eyes in deep thought.

BUMBLEBEE

Yeah. Why...

END EPISODE 1

EPISODE 2

INT. BATGIRL'S BATBUNKER - CONTINUOUS

The girls make it to Batgirl's awesome Batbunker!

Batgirl sits at the computer terminal and goes to work.

Supergirl notices WW's sadness.

SUPERGIRL

Hey, I'm sorry your mom doesn't approve of us. Maybe if she just hung out with us for a day...

WONDER WOMAN

Yeah, maybe... but not here. She doesn't do bunkers. Or bats.

(to Batgirl)

What's the warning about?

##

BATGIRL

The Earth's electromagnetic energy.

WONDER WOMAN

That sounds bad.

BATGIRL

No, that's good! It's what keeps the Earth spinning! But the energy is building up in a few localized places on the planet.

SUPERGIRL

That sounds good!

BATGIRL

No, that's bad. Somebody's messing with the natural flow of the current. The output is increasing exponentially.

Supergirl and WW are both lost. Batgirl breaks it down:

BATGIRL

That's bad. Triangulating the source of the disruptions now...

She's in her element, focused and PRESSING BUTTONS.

SUPERGIRL

Yes... triangulate those... things.

DING! A RED DOT appears on the computer screen map/grid.

BATGIRL

Got it! Looks like the source of
the disturbances is local. It's...
of course. LEXCORP.

WONDER WOMAN/SUPERGIRL

Aw, man! / No! / That place smells!

BATGIRL

Only one thing to do. Hold your
noses and buckle up.

SUPERGIRL

That's two things.

EXT./INT. ABANDONED LEXCORP WAREHOUSE - LATER

The girls break into LENA'S LAIR on the docks of Metropolis!
Lena has a MAKESHIFT LAB AREA set up inside.

WONDER WOMAN

Place looks empty.

SUPERGIRL

Looks empty. And smells like feet.

(to self)

Sometimes having super smell really
stinks.

##

The girls sneak around the spooky, darkened warehouse,
searching.

WONDER WOMAN

What are we looking for?

BATGIRL

Anything that doesn't belong here.

Supergirl, flying in the dark, turns back to say...

SUPERGIRL

Like us?

THUD! She just flew into SOMETHING...

BATGIRL

Yes... or that big piece of
obviously stolen S.T.A.R. LABS
tech.

Batgirl indicates a piece of equipment. It says "S.T.A.R. LABS GENERATOR" on it.

WONDER WOMAN

And i'm guessing those are stolen,
too.

##

##

WIDEN to include A SECOND PIECE of equipment next to it, exactly the same, this time "S.T.A.R. LABS GENERATOR" is SCRATCHED OFF and now has "LEXCORP GENERATOR" childishly SCRIBBLED on it.

Batgirl pushes a button on the device activating a HIDDEN SCREEN that descends from under the catwalk. LEGO-ESQUE PLANS appear on the screen.

WONDER WOMAN

Hey, take a look at this.

Batgirl studies the plans a moment, and -

BATGIRL

Someone's tapping into a bunch of the Earth's electromagnetic power spots and boosting their natural output via generators like these.

SUPERGIRL

But why?

Batgirl PULLS UP a GIANT final image: A Dimensional Gateway.

BATGIRL

Theoretically, the energy released will be strong enough to generate some sort of hyperspace wormhole!

SUPERGIRL

Okay, again... why?

BATGIRL

So Eclipso can get back to Gemworld and wreak her terrible vengeance!

WONDER WOMAN

How do you know Eclipso's involved?

##

BATGIRL

Cuz she counter-signed this legal document.

Batgirl POINTS to a SMALL IMAGE in the corner of the SCREEN. She SWIPES it to GROW. We can now see a rendering that is clearly ECLIPSO'S SIGNATURE along with her HEAD SHOT.

WONDER WOMAN

Didn't Eclipso try something like
this already with the Amethyst?

LENA (O.S.)

##

No, this is totally different!

They look up to see LENA LUTHOR! She's pointing a PLASMA
BLASTER at them from a WALKWAY ABOVE.

SUPERGIRL

LENA!

LENA

I'm only helping Eclipso because,
once she's done using the Earth to
get home, it'll be all mine.

BATGIRL

But the Earth can't shoulder this
kind of electromagnetic buildup!
The damage will be catastrophic!

LENA

Well, if I have to choose between a
jacked up, scratch-and-dent planet
that's all mine... and a mint
condition one that ain't? Guess
which one I pick?

BATGIRL

That's as crazy as a soup sandwich.

LENA

This coming from a girl wearing
last season's bat ears.

BATGIRL

Hey!

LENA

Let me help you update your look!

Lena starts BLASTING! They DUCK and RUN for cover.

WW BRACELET DEFLECTS, SHATTERING lab equipment to PIECES!

LENA

Go easy on that stuff! It's stolen!

Supergirl DODGES BLASTS and Batgirl BATARANGS at Lena, making
her DIVE OFF the WALKWAY.

WW LASSO's Lena's BLASTER out of her hands. Lena TUCKS and ROLLS. She STANDS.

LENA

Time for a little backup.

Lena PULLS OUT a KRYPTONITE CONTROL TABLET. She PRESSES A BUTTON, and out come a SWARM of GREEN KRYPTOMITES.

BATGIRL

<Ugh> Kryptomites!

##

She uses her now-sputtering FREEZE BREATH to build a WALL OF ICE, keeping the Kryptomites and Lena at bay. With the K-mites blocked, we see her strength return.

##

##

##

Lena and her Kryptomites are on the other side of the ice wall. Lena is SILENTLY SHOUTING at our heroes.

##

LENA

[muffled shouting]

##

##

BATGIRL

If we don't find those
electromagnetic generators and
destroy them--Game over.

##

##

##

Batgirl pulls up data on Lena's DISPLAY PANEL.

##

BATGIRL

The Egyptian Pyramids, the Aztec
jungle and Stonehenge in England...

WONDER WOMAN

What do all these places have in
common?

SUPERGIRL

Bucket list selfie spots!

BATGIRL

And they're electromagnetic hot
spots! Which means that's where
Lena put her generators!

The display also indicates a COUNTDOWN.

SUPERGIRL

We're going to have to split up!

WONDER WOMAN

Let's do this!

CUT TO:

They each head out! Wonder Woman in the INVISIBLE JET,
Batgirl in the BATJET and Supergirl FLIES OFF!

EXT./INT. DARK PALACE - MOON - CONTINUOUS

The moon shines brightly as we PUSH IN to see ECLIPSO SITTING
UPON HER THRONE in the Dark Palace, sinister as ever. A
SCREEN pops open. Lena is on the other end of the call.

LENA (ON COM)

Eclipso, we've got problems. And it
smells like Wonder Woman, Supergirl
and Batgirl!

ECLIPSO (ON COM)

It sounds like "your problem" not a
"my problem". So, deal with it! I
need those generators online
TONIGHT.

LENA

Don't worry, I'm on it. Don't you
love it when you can trust a
partner to--

CLICK! Eclipso hangs up.

ECLIPSO (TO SELF)

Ah, poor, unsuspecting LENA. So,
you want to rule the Earth? Good
luck! Once my real plan is put in
action! <EVIL LAUGH>

END EPISODE 2

EPISODE 3

EXT. DESERT PYRAMIDS - LATER

Wonder Woman LANDS the Invisible Jet in the desert sand.

Now on foot, WW LOOKS toward the trio of pyramids.

WONDER WOMAN (TO SELF)
I wonder which one of the pyramids
is the one that Lena--

ZOOM TO: The TIP of a HUGE PYRAMID. It's GLOWING unnaturally.

WONDER WOMAN
Oh. Probably that one.

WW SQUINTS to see: OBJECTS coming toward her. YELLOW
KRYPTOMITES! WW hears the LOUD, DISEMBODIED VOICE of Lena.

It's coming from one Kryptomite - A SPEAKER ON ITS HEAD.

LENA (O.S.)
Welcome Dunder Woman. Meet my new
Yellow Kryptomites, adapted just
for you.

Wonder Woman BACKS AWAY as the Yellow Kryptomites inch
closer.

LENA (O.S.)
Also, I'd love feedback on this
breed's fear-inducing properties,
so feel free to fill out a comment
card... if you survive!

Wonder Woman GULPS as she sees the swarm CHARGE.

WONDER WOMAN
<GULP>

Hard cut to:

INT. BATJET - DAY

Batgirl's jet soars over the jungle.

BATGIRL
Now, to activate my electromagnetic
Bat-locator dev--

She spots a GLOWING AZTEC MONUMENT out the window.

BATGIRL
Or... just look out the window.

EXT. AZTEC JUNGLE - SHORTLY

Batgirl walks up to the generator at the base of the pyramid.
Suddenly, out come a swarm of BLUE KRYPTOMITES!

BATGIRL
Blue Kryptomites!? That's a new
one. Now I'm totally confused.

LENA (O.S.)
(through K comm)
Not yet, Brat-Girl... but you will
be! Thanks to my confusion-inducing
Blue Kryptomites!

Batgirl backs away, WINCING WITH CONFUSION, as we...

EXT. STONEHENGE - DAY

Supergirl LANDS in a field. She sees a Druid astronomical
stone circle in the distance. It GLOWS.

SUPERGIRL
Ooh! It glows! Pretty!

Suddenly, a swarm of ORANGE KRYPTOMITES billows out from the
ancient stone circle.

SUPERGIRL
Orange Kryptomites!? I hope they're
just rich in vitamin C!

LENA (O.S.)
You wish, Stuporgirl.

SUPERGIRL
Lena! I had a sneaking suspicion--

LENA
--and you'll have a lot more once
my suspicion-inducing Orange
Kryptomites do their stuff!

EXT. DESERT PYRAMIDS

##

The Yellow Kryptomites attack WW! She SHIELDS, DEFLECTS and
DODGES, trying to make her way to the pyramid.

One Kryptomite SNEAKS UP and TOUCHES HER LEG! Suddenly, she is engulfed by a WAVE OF FEAR!

WONDER WOMAN (TO SELF)
<cry of alarm> What's happening to me?

She tries to battle on, but she's suddenly terrified of the YELLOW KRYPTOMITES.

WONDER WOMAN
<fearful whimper> <cry of panic>

Shockingly, she turns and RUNS AWAY, and her feelings pour out of her:

WONDER WOMAN
This is a nightmare! I'm going to fail and let everyone down! My mother's going to pull me out of Super Hero High and I'll never see any of my friends again!

Then, WW shakes her head, trying to clear her mind.

WONDER WOMAN
No! This is all part of Lena's trap. It isn't real. I just need to see the truth!

Her EYES CLOSED, and terrified, she uses her LASSO ON HERSELF to break the Yellow Kryptomites' spell and see the truth.

WONDER WOMAN
The truth is... I won't let anyone down! I'll keep fighting! I am strong, my mother's daughter, and I will not give in to fear!!

As her "fear fever" breaks, WW gets a surge of energy. SHE'S NO LONGER AFRAID!

She PRESSES A BUTTON on her WRIST COMM and her INVISIBLE MOTORCYCLE ZOOMS OUT of the Invisible jet.

EXT. AZTEC JUNGLE

Batgirl, BATARANGS in hand, GYMNASTIC TWIRLS UP into the trees to dodge the swarming BLUE KRYPTOMITES!

One of them leaps into the air and HITS HER FOOT. Immediately, Batgirl looks around in TOTAL CONFUSION.

BATGIRL

Wait. Why am I in a tree again? Oh, right, the K-mites. Wait. Do we say "K-mites"? Kryptomites. WAIT. Why DON'T we say "K-mites"?? AND WHAT ARE THEY?! I am SO confused!!

EXT. STONEHENGE

BEEP! BEEP! Supergirl, happily petting an Orange Kryptomite like a kitty, looks at her wrist comm.

SUPERGIRL

Group chat request from Wonder Woman. Sounds VERY suspicious. Better ignore it!

She goes back to petting.

BEEP! BEEP! BEEP! BEEP!

SUPERGIRL

Hmm. That beeping sounds awfully fishy... Better take the call!

She hits a button. WW's and Batgirl's images pop up onscreen.

WONDER WOMAN (ON COM)

Guys! Lena unleashed special Kryptomites on me! When they touch you, they affect your EMOTIONS! So if you run into any, stay away!

BATGIRL (ON COM)

How did you get this number?

WONDER WOMAN (ON COM)

Batgirl, it's me, Wonder Woman!

SUPERGIRL

(to Batgirl)

I wouldn't trust her.

WONDER WOMAN (ON COM)

What?! Supergirl, I-- Oh no. I'm too late!

EXT. PYRAMID WALL - CONTINUOUS

Wonder Woman is driving her cycle up the side of the pyramid! She has Supergirl and Batgirl on her comm screen.

WONDER WOMAN

First I lost my mom, and now I've
lost my friends, too. I've got to
fix this! But first...

She REVS her cycle hard and reaches the TOP of the Pyramid!

The Lexcorp Generator PULSES with electro-magnetic energy. A
BEAM OF STATIC reaches into the SKY. Wonder Woman RIPS the
Generator out of place and it POWERS DOWN!

WONDER WOMAN

That's one.

EXT. AZTEC JUNGLE - CONTINUOUS

Batgirl HANGS by a tree, KICKING Kryptomites into the jungle.

WONDER WOMAN (ON COM)

Guys! You've got to fight these
feelings! Batgirl--

WONDER WOMAN (ON COM)

You're the smartest person I've
ever met. Whenever I feel like my
life is chaos and confusion, you're
the one who helps me put the pieces
back in order.

BATGIRL

I am? (considers) I AM!

EXT. STONEHENGE

Supergirl absentmindedly and effortlessly twirls one of the
giant ancient stones over her head.

WONDER WOMAN (ON COM)

And Supergirl. You are impossibly
strong! But the unwavering trust
you place in me and all your
friends is even stronger.

CLOSE ON Supergirl. She STOPS, thinks hard -

SUPERGIRL (ON COM)

Trust...

WONDER WOMAN (ON COM)
It's what friends do. Trust me when
I say that, if you ever get
confused in life, I will hold your
hand. If you ever lose your faith
in me, I HAVE FAITH IN YOU!

EXT. JUNGLE - CONTINUOUS

BATGIRL, suddenly focused, GRABS A VINE and SWINGS to her
Batjet - sailing safely over the Kryptomites below.

INT. BATJET - CONTINUOUS

She takes off, heading straight for the glowing Aztec
monument. A BEAM OF STATIC reaches into the sky.

Batgirl narrows her focus and presses a button.

EXT. BATJET - CONTINUOUS

PFSZZZZZZZZ! Two Bat-claws on ropes SHOOT out of the jet and
CLANK CLANK - grab on to the generator.

The jet climbs and the ropes go taut as the generator RIPS
out of place and POWERS DOWN.

EXT. STONEHENGE - CONTINUOUS

SUPERGIRL, determined, FLOATS UP above the Kryptomite swarm
and sees the Lexcorp Generator PULSING with electromagnetic
energy! She RIPS it out of place and it POWERS DOWN.

WONDER WOMAN (V.O. ON COM)
You guys okay?

BATGIRL (ON COM)
We are now.

SUPERGIRL
Thanks for the pep talk. Friend.

INT. BATJET - CONTINUOUS

BEEP BEEEEEP! Batgirl checks her console.

BATGIRL

Uh oh. Guys, I'm picking up a new
electromagnetic disturbance. A BIG
one. Sending you the coordinates.

EXT. SUNNY BEACH - LATER

Batgirl studies readings on her wrist comm as they look out
over the endless sea.

BATGIRL

The power spot must be OUT THERE
somewhere. But it's pinging all
over the place, I can't get a lock.

SUPERGIRL

Is it some kind of island?

WONDER WOMAN

(realizing)

By Hera, no.

(off their look)

You can't get a lock because the
place is hidden. Themyscira.
Paradise Island. MY HOME!

Batgirl, Supergirl and WW RUSH to the Invisible Jet and TAKE
OFF for Themyscira - deep in the middle of the ocean.

END EPISODE 3

EPISODE 4

EXT. THEMYSKIRA - BEACH

Our heroes emerge from the Invisible Jet to a small crowd of Amazons led by Queen Hippolyta.

HIPPOLYTA
Welcome, Daughter.

WONDER WOMAN
Mother! I know what it looks like,
but I'm not here for Themyscira
Academy orientation.

HIPPOLYTA
Welcome.

WW stares at her Mother's hypnotic, blank eyes. ##

She notices that her mother, and all the Amazons, are holding
PURPLE KRYPTOMITES.

WONDER WOMAN
Hypnotic Kryptomites!

SUPERGIRL
How do you know they're hypnotic?

ANGLE ON: a Purple Kryptomite with SWIRLY EYES that clearly
looks like it's out to hypnotize.

BATGIRL
I'm guessing by the swirly eyes.

Batgirl and WW concentrate on Hippolyta, while our heroes are
slowly SURROUNDED by Amazons. ONLY SUPERGIRL NOTICES.

WONDER WOMAN ##
Lena must have cross-bred them with
Eclipso's hypnotic black diamonds.

BATGIRL
Ew.

SUPERGIRL
Uh, guys...

WONDER WOMAN
We need to find Lena's generator
before--

HIPPOLYTA
Amazons... ATTACK!

The Amazons RUSH forward!

BATGIRL
Oh, terrific.

WONDER WOMAN
We don't want to hurt them! So...

Our heroes RUN down the beach, being chased by Amazons AND ##
Purple Kryptomites!

BATGIRL
(checking her wrist
comm)
The generator signal's getting
stronger!

WONDER WOMAN
I think I know where it is. The
most powerful part of the Island,
where we gather for combat and/or
movie night! Follow me!

She TAKES FLIGHT, followed quickly by Supergirl. ##

She POPS her WINGS open on her BACKPACK and JETS UPWARD,
leaving the Amazons and Kryptomites behind.

EXT. BATTLE PLATFORM - CONTINUOUS

They reach the Battle Platform (a MARBLE SLAB, glowing just
like the other power points.) They LAND before the generator.

WONDER WOMAN
I was right! Here it is!

SUPERGIRL
This one's bigger than the others.

BATGIRL
I bet it's a fail-safe, designed to
power up automatically if the other
generators go dark.

They surround the enormous generator.

SUPERGIRL
You don't think the fail-safe has a
fail-safe, do you?

WONDER WOMAN

Only one way to find out!

They PUSH with all their might on the hulking machine until it TOPPLES OVER with a SPRAY OF SPARKS and POWERS DOWN.

BATGIRL/SUPERGIRL

<CHEERS>

WONDER WOMAN

There's no time to celebrate! My people are still in danger!

Suddenly, Lena ZOOMS UP in her HOVERCRAFT to survey the scene

LENA

Aw, the backup generator TOO?! See, *this* is why villains hate you guys.

ECLIPSO (O.S.)

(booming from the heavens)

And this is why I bought a little insurance.

ALL

ECLIPSO!

ANGLE ON: ECLIPSO'S SHIP lands and transforms into the DARK PALACE! Eclipso disembarks and saunters over.

ECLIPSO

So... did we enjoy the Hypnotic Kryptomites I sent?

WONDER WOMAN

You sent those?!

ECLIPSO

Purple has always been my color...

LENA

Mine too! And green! Wait, what do you mean "insurance"?

ECLIPSO

I mean my backup! In case your backup was taken out!

##

BATGIRL

Really?

EXT. THE MOON

WE SEE an EVEN BIGGER GENERATOR. Both "S.T.A.R. Labs" and "LEXCORP" have been covered over with "ECLIPSO GENERATOR."

EXT. BATTLE PLATFORM - CONTINUOUS

ECLIPSO
REALLY! It looks like I'll no
longer be needing your services,
Luthor.

##

Eclipso holds up a copy of the CONTRACT she had with Lena. It VANISHES in a puff of smoke.

LENA
Do you know how much it cost to get
that notarized?!

ECLIPSO
Well, it's not like I was going to
let you rule the Earth anyway.

LENA
What do you care? You woulda been
back on Gemworld!

ECLIPSO
<laughs> Sounds like someone didn't
read the fine print. I'm not
RETURNING to Gemworld! I'm turning
the Earth into a NEW GEMWORLD!

ALL
WHAT??!

BATGIRL
Of course! You're aligning our
planet's electromagnetic energy
pattern with Gemworld's!
Then, once they're connected,
you'll transfer your planet's
organic matrix and use it to
terraform the Earth!

ECLIPSO glowers.

ECLIPSO
Well, I was calling it "magic,"
but, if you just have to dole out
spoillery details, FINE.

She heads back to her palace.

LENA

You LIED to me! Again!

ECLIPSO

And I *really* enjoyed it. Welp, I
gotta go, the Earth ain't gonna
transform itself.

DOOR SLAM! The palace TAKES OFF and disappears into the sky.

LENA

(furious)

Well. We have to stop her!

WONDER WOMAN/BATGIRL/SUPERGIRL

WE??

LENA

I live by no code. Get over it.

BATGIRL

(an idea)

Code...CODE!

##

LENA

(catching on)

Ohhh, of course! Well, now you're
definitely gonna need my help.

BATGIRL

Supergirl, how fast can you get us
to my bunker?

SUPERGIRL

Super fast.

WONDER WOMAN

Um... guys? I think we have another
problem.

They turn to see Bumblebee hovering towards them with BLANK,
HYPNOTIZED EYES!

END EPISODE 4

EPISODE 5

EXT. BATTLE PLATFORM

Bumblebee hovers towards WW, Supergirl and Batgirl, her eyes
HYPNOTICALLY BLANK.

BATGIRL

Bumblebee's been hypnotized by the
Kryptomites! We have to snap her
out of it!

Bumblebee BLINKS her eyes back to normal.

BUMBLEBEE

Snap me out of what?

SUPERGIRL

Bumblebee! You're okay!

BUMBLEBEE

I was trying to blend in. You know
what they say, when in Rome, act
like a mesmerized Amazon.

BATGIRL

Nobody actually says that.

WONDER WOMAN

What are you doing here?

BUMBLEBEE

When I dropped off your mom here,
something smelled fishy. I thought
I'd better stick around and
investigate.

WONDER WOMAN

Why?

Bumblebee smiles at Wondy.

BUMBLEBEE

Because, Lab Partner, we're a team!

They share a moment. Then...

LENA

<disgusted gagging sound>

BATGIRL

Eclipso's going to start her
generator any minute.

Supergirl, you need to get us back
to the Batbunker NOW.

WONDER WOMAN
I'm not going with you. My mother
and our people are in danger.
Bumblebee?

BUMBLEBEE
I've got your back!

LENA
Fine, so it's just us. When is this
little field trip going to--

ZIP! In a BLUR, Supergirl has snatched up Lena and Batgirl
and vanishes OS in a WHOOOOSH!

BUMBLEBEE
I guess right now.

EXT. THE MOON - ESTABLISHING

Eclipso's ship lands and transforms into the Dark Palace.

INT. DARK PALACE

Eclipso looks out the window at her GIANT GENERATOR.

ECLIPSO
Start the generator! Direct ALL the
Earth's electromagnetic energy
toward Gemworld!

Purple Kryptomites work busily as Eclipso sits on her throne.

ECLIPSO
Nothing can stop me now.

INT. BATGIRL'S BATBUNKER - DAY

The door opens. Supergirl flies in carrying Lena and Batgirl.

LENA
Now I know what it's like to fly in
coach. You can put me down now!

Supergirl DROPS Lena, who lands on her butt.

LENA
<impact grunt>

Supes then lands Batgirl gently.

BATGIRL
(to Lena)
Well, you did say "now".

Suddenly, the bunker begins to SHAKE and ROLL.

LENA
What! Did you build this place
under the subway?

Batgirl is already at the terminal, processing incoming data.

BATGIRL
It's not just the bunker. The whole
planet is shaking!

ON SUPERGIRL:

SUPERGIRL
Wait a minute, guys! I think this
is no coincidence. It may just be
possible that Eclipso has activated
her generator on the moon!

WIDER to reveal Batgirl and Lena staring at her. Blinking.
They're WAY ahead of her.

BATGIRL
Okay... now that we're all up to
speed. All I have to do is write a
computer virus capable of disabling
Eclipso's device.

Lena pushes Batgirl aside, so she has room to type at the
terminal as well.

LENA
Which means you need someone who's
already familiar with this advanced
technology and... is brilliant.

BATGIRL
Fine. I'll work on the virus and
you work on opening the back door
to the generator's software.

SUPERGIRL
And I...
(BEAT)

Unsure what to do, Supergirl whips out her phone.

SUPERGIRL

Will update my status!

INSERT: SUPERGIRL'S SOCIAL NETWORK PAGE. It now reads:
"Feeling NERVOUS, but HOPEFUL. With #Batgirl and @LenaRulz."

MONTAGE

- From SPACE, we see the EARTH SHAKE. Energy is radiating from our planet to the MOON where a BEAM is shooting off into SPACE.

- In VARIOUS pre-existing EARTH INTERIORS (like Super Hero High), we see the effects of the EARTHQUAKES.

- In VARIOUS pre-existing EARTH EXTERIORS (also including Super Hero High, etc.), we see STALAGMITES and CRYSTALLINE STRUCTURES burst through the Earth!

EXT. THEMYSKIRA BEACH - DAY

Bumblebee and Wonder Woman JOSTLE VIOLENTLY as they dodge a crystal stalagmite that explodes out of the ground.

WONDER WOMAN

It's happening! The Earth is
transforming into the new Gemworld!

BUMBLEBEE

Look out ahead!

Ahead of them, a group of Amazons, headed by mesmerized Hippolyta, block their path. They are all armed with spears.

WONDER WOMAN

Mother!

Wondy and Bee streak up into the air, where they must dodge a volley of SPEARS thrown by the Amazons.

BUMBLEBEE

That was a close call.

WONDER WOMAN

(re: something OS)

This one's going to be a lot
closer!

A swarm of swirly-eyed Purple Kryptomites flying in KRYPTOMITE HELICOPTERS has cut them off in mid-air! What are they going to do!?

INT. BATGIRL'S BATBUNKER - DAY

Lena and Batgirl are both typing furiously. It is a competitive coding race! They glance furtively to make sure they're each one step ahead of the other. Then...

BATGIRL/LENA

DONE!

They glower at each other.

BATGIRL

Uploading the virus now!

She presses a button and her terminal flashes BLUE BLUE BLUE, then, finally, SOLID RED.

BATGIRL

Upload unsuccessful?! Lena, you were supposed to open the backdoor!

LENA

Right. About that. Turns out, there's no backdoor.

BATGIRL

Then what have you been doing??

LENA

Finding out conclusively that there is, indeed, no backdoor.

Batgirl presses a few buttons and then pulls a small THUMB DRIVE out of her computer and holds it up.

BATGIRL

Then we'll have to do it in person.

LENA

In person?! Exactly which one of us do you think can get to the moon that fast and, ya know, survive?

The penny drops. They turn to look behind them at Supergirl, who has a huge smile as she thumbs around on her phone.

INSERT: SUPERGIRL'S SOCIAL NETWORK PAGE. It now reads: "Feeling USEFUL! #SSH #StopEclipso #YOLO."

EXT. THEMYSCLIRA BEACH

WW and Bumblebee soar through the air, but the K-mite helicopters are gaining fast!

BUMBLEBEE

I gotta tell ya, Dub Dubs, this is
not how I thought it was gonna end!

WONDER WOMAN

(determined)

It won't! We're not going to let
everyone down! I have a plan,
follow me!

##

INT. DARK PALACE

##

Eclipso giddily jumps between MONITOR SCREENS, watching
satellite photos of the Earth sprouting gems.

ECLIPSO

This is it! A new Gemworld for me
to control! Absolutely nothing can
stop me now! <maniacal laugh>

ANGLE ON the window behind her. We see Supergirl land at the
foot of Eclipso's generator.

Eclipso's screens suddenly FLICKER OUT.

ECLIPSO

What!? What's happening?

Then her screens REBOOT, now showing:

SUPERGIRL'S SOCIAL MEDIA PAGE! Her status now reads: "Just
uploaded virus into Doomsday Machine! YYAAASSS!
#SorryNotSorryEclipso!

ECLIPSO

"Just uploaded virus into Doomsday
Machine!" <screams>

She turns and looks through the window to see Supergirl
smiling at her. She waves and flies away revealing the
generator behind her.

ECLIPSO

Supergirrrrrrrrrrrl!!!

The generator goes DARK. The BEAM OF ENERGY at its tip
SPUTTERS and DISSIPATES.

EXT. THEMYSKIRA - SHORTLY

Bumblebee and Wonder Woman are flying toward a ROCK FORMATION. The K-Mite choppers follow. Bee points to stalagmites below that are RETRACTING into the ground.

BUMBLEBEE

Look! They did it!

WONDER WOMAN

And now it's our turn!

In single file they race through a SMALL HOLE in a rock formation. The K-Mite choppers won't fit through! So they stop.

Bumblebee and Wonder Woman HIGH FIVE on the other side.

Now free of their choppers, a SWARM of K-Mites POUR through the small hole in the rocks. They race toward the girls. ##

WONDER WOMAN

Go!

They girls take off flying in opposite directions. The K-Mite swarm SPLITS IN TWO to follow!

ON WONDY - flying with K-mites in hot pursuit.

ON BEE - flying IN OPPOSITE DIRECTION w/ K-mites in pursuit.

WIDE - The girls SOAR TOWARD EACH OTHER. They're going to CRASH! Then, at the last second, they turn SKYWARD. The pursuing K-Mite groups CRASH INTO EACH OTHER!!

Close on K-Mites. Having touched one another, their SWIRLY EYES go BLANK and hypnotic as they FREEZE in place!

BUMBLEBEE

It worked! The Kryptomites
hypnotized each other!

ON HIPPOLYTA as her eyes go from GLAZED back to NORMAL. She shakes off the K-Mite influence. PULL BACK to reveal ALL THE AMAZONS return to normal. Include Bumblebee and Wondy.

WONDER WOMAN

Mother! You're okay!

HIPPOLYTA

Thanks to you, daughter.

WONDER WOMAN

And all my friends!

##

Supergirl now flies in with Lena and Batgirl, again dropping
Lena to the ground as she lands. ##

LENA ##
<impact grunt> ##

Hippolyta looks at Batgirl, Supergirl and Bumblebee in
admiration.

HIPPOLYTA ##
Thank you, girls. It appears I
misjudged Super Hero High. You
learned everything you needed to
free my people and save the world.
(to Wonder Woman)
I think you're in the right place.

Wonder Woman and Hippolyta HUG. The other students and
Amazons look on happily. Then...

SUPERGIRL
Hey, but what about Eclipso? She's
still up there with all those
Purple Kryptomites.

LENA
Oh... I don't think we'll be
hearing from her for a while...

INT. DARK PALACE - NIGHT

Eclipso is on a tirade, barking orders at her Purple
Kryptomites. The K-Mites do not look happy.

ECLIPSO
You call yourself minions!? I bet
the green Kryptomites could've had
this thing back up and running
hours ago! I've a mind to throw you
out the airlock!

The berated K-Mites have had ENOUGH. They look at one
another... then TURN ON Eclipso.

ECLIPSO ##
What are doing?

Suddenly, they SWARM HER!! Eclipso is totally ENGULFED!

ECLIPSO (O.S.)
<SCREAMS> Noooooooooooooooooooooo...

Her scream trails off as the K-Mites back away from her and look on in satisfaction at her BLANK, HYPNOTIZED eyes.

She picks onee and PETS it like a kitty.

ECLIPSO

Yyyesssss... I hear and obey...

The Kryptomites flash SATISFIED SMILES as we...

CUT TO BLACK.

THE END
